Report of Principal and School Improvement Council

The mission of Brookdale Elementary School is to ensure academic success for all students. Our teachers are highly qualified and continue to hone their skills in order to focus on the individual learning styles of each student. Based on our 2013 PASS data, Brookdale Elementary earned Palmetto Gold for student achievement and Palmetto Silver for closing the achievement gap. In 2013-2014, we continued making student achievement our number one priority and school-based professional development remained a cornerstone in our efforts to prepare teachers to meet the needs of all students. Brookdale Elementary is a student-centered Title 1 school that serves 330 students.

Our focus continues to be student achievement, school climate/parent involvement, and teacher administrator quality. Student achievement continues to remain the top priority as teachers utilized a variety of research proven instructional strategies to meet the needs of our students. Teachers meet weekly in our Professional Learning Community (PLC) sessions to review student work, analyze student achievement data, identify effective instructional practices, and review current research.

Our character education program (PBIS) sets common positive expectations for the school and classroom. Stickers were distributed to students for displaying appropriate expectations and the students were able to redeem them for items in our Ebay store.

Activities beyond the classroom continue to be a part of the instructional program at Brookdale including the 21st Century After School program, monthly Family Friendly Standards Nights, Recycling Program, Career Fair, Pennies for Patients, and college tours.

Our active Parent Teacher Organization (PTO) and School Improvement Council (SIC) continue to support our instructional program. The faculty and staff work diligently to provide each student with a quality educational program. However, consistently providing differentiated instruction to meet the needs of all learners continues to remain a challenge.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	69.5
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Brookdale Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
